## Golf Courses

### BA NA HILLS GOLF CLUB

Par 72 | 6 945m

Designed by Luke Donald and managed by IMG, Bana Hills is a world class facility and is Luke Donald's first design project. The course is located at the foothills of the famed Ba Na Hills on Vietnam's central coast, located 25 minutes from downtown Da Nang.

This stunning property is set amongst some of the most impressive mountain ranges in the region, complimenting the inaugural Luke Donald designed course. The par 72, 18-hole Championship golf course provides a balance of challenge, enjoyment and excitement to golfers of all levels and abilities with 5 sets of tees to ensure golfers of all standards are assured a pleasurable round of golf.

### Danang Golf Club

Par 72 | 6 547m

The Dunes course is situated on the fledgling central coast of Vietnam amid 150 hectares of dunescape carved with world's first golf courses in mind. Its chief feature is a 7,160-yard, 18-hole, links-style layout that was designed in the true spirit of the game — blown-out bunkers, firm and fast fairways that bleed gently into wild seaside vegetation, rugged waste areas, swales and hollows — by Australian golf legend and former world No. 1 Greg Norman.

It lies in close proximity to two of Vietnam's most historic destinations — UNESCO World Heritage sites Hoi An and Hue — and offers breathtaking views of the Marble Mountains, East Sea and Cham Islands.

### LAGUNA LANG CO GOLF CLUB

Par 71 | 4 812m

Located on a tranquil bay facing the East Sea between the ancient city of Hue to the north and Danang to the south, Laguna Lang Co Golf Club is a 6,958-yard, par-71 gem that has been described as the best of the 26 courses six-times Major winner Sir Nick Faldo has designed. The course's appeal lies in the numerous environments encountered during a round — rice paddy, woodlands, beach, 'blowout' areas, rivers and creeks and rock outcrops on adjacent hillsides.

### MONTGOMERIE LINKS GOLF CLUB

Par 72 | 6 484m

Montgomerie Links Vietnam has many truly outstanding natural features. The sandy soil, wind-blown dunes, and indigenous vegetation combine to create the framework for a very strong links-style golf course that caters to players of all abilities and is a sheer delight to play.

Although the course doesn't officially have a signature hole, the stunning par-5 12th is truly memorable. Playing slightly uphill from a bunker-riddled fairway, the hole is framed by the clubhouse in the background and has been described as the best par-5 in Vietnam.
